Story-2
The Mirror
Haneo

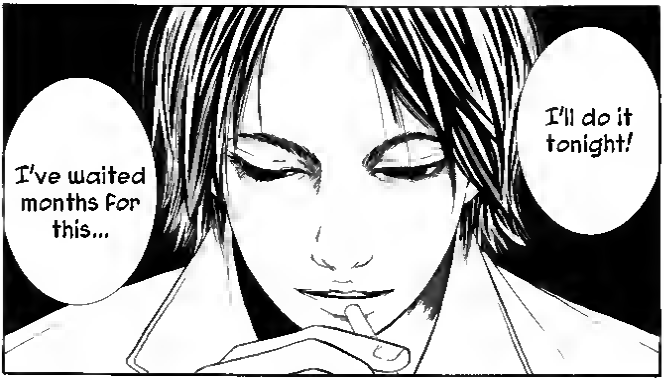
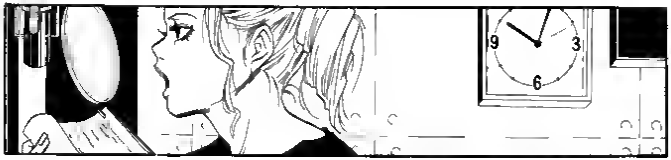
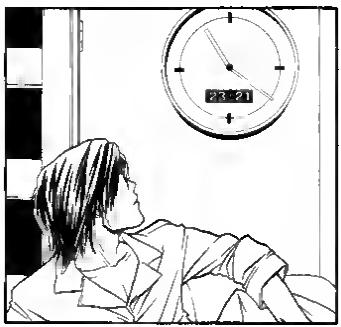
It's Friday the 13th, huh

Today's recording session will take a while,
so I'll be back on Saturday, though
Well,
let's be careful
You care about that?
I might...
get something interesting before you get back
...?
See you...

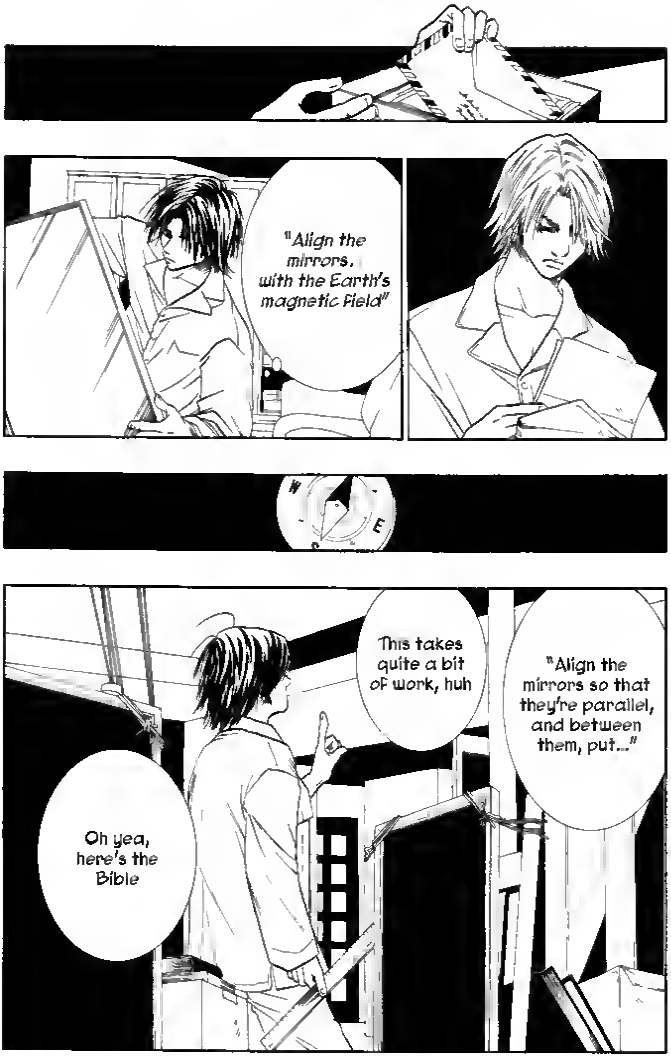


I've waited months for this...
I'll do it tonight!





Time to get ready



"Align the mirrors, with the Earth's magnetic field"
This takes quite a bit of work, huh
"Align the mirrors so that they're parallel, and between them, put..."
Oh yea, here's the Bible

"Using this method, you can capture a demon"

"I tried it when I was a child,
"but it wasn't very interesting"
..?
He left something out...
Is it really that big of a deal if I catch it?
Hmm... What am I doing?
This is so immature of me...

Why...?
I do that too
Well... Even certain adults
end up using their imagination when they can't rationalize something
My job is irregular, but no one notices
Jeez
This society is too rational, in both work and life
I can't stand this

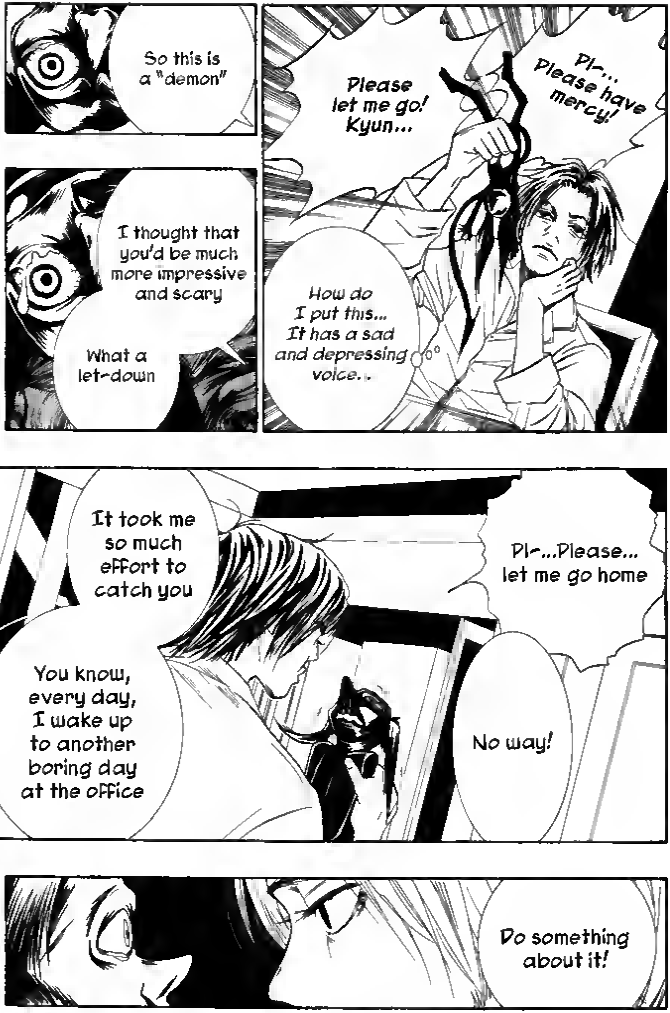
...Hmph!
Kyu!?

I did it!
Now, what do you look like?
It's kinda dark... Lights, lights...
You can't escape now



So this is a "demon"
I thought that you'd be much more impressive and scary
What a let-down
Please let me go! Kyun...
Pl-... Please have mercy!
How do I put this... It has a sad and depressing voice...
It took me so much effort to catch you
You know, every day, I wake up to another boring day at the office
Pl-...Please... let me go home
No way!
Do something about it!

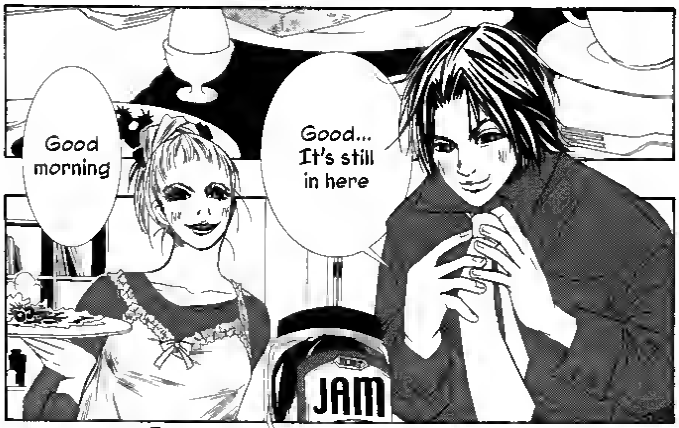
You should be able to do something
You liar!
I won't let you go until you do something!
I can't do anything..
Please.. let me.. go..
.....
I...

I really can't do anything!
Don't hurt me
I said, do something!
Kyu
Darling!?
What is it? Did you catch a rat!?

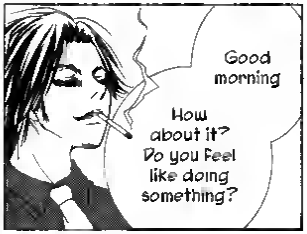
it's a "demon"
...No,
I didn't just get it. I caught it in our own house
Eww...
You got something strange
I told you that I had a pen pal in Spain during my college years, right?
It's okay! It can't do anything
...Is it okay to hurt it...?
It isn't much of a "demon" anyways
I tried doing that he wrote in a letter, and it really worked!

It sure has a miserable face...
.....
That looks fun. Let me do it too
Slightly...
I know, right?
It makes you angry too, right?
Kyu
Ahahah This is Fun!
Kyun!

Hey .. Can it breathe in there?
I won't let you go until you do something
JAM
it doesn't need food either
Oh~~ This is so easy
It's okay
Demons can't die Oh yes,



Good morning
Good... It's still in here
JAM

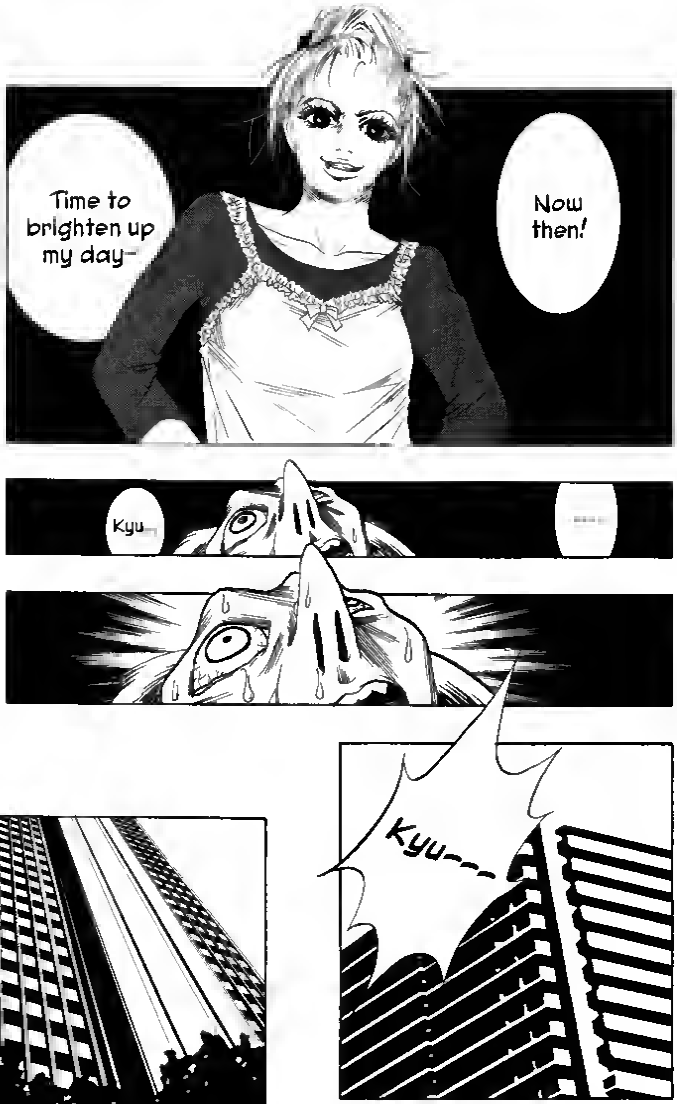


Good morning
How about it? Do you feel like doing something?

Kyu

Please let me go...
.....

Darling!
Kyu
Kyu
Kyu
...Are you really a demon?
Tch...
Let me handle the rest! It's time for you to go work!
Don't let it go!
You listen?



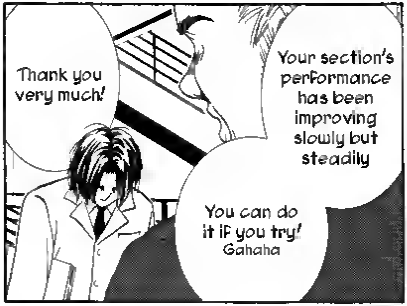
Time to brighten up my day–
Now then!
Kyu–
Kyu---

See what you did!?
You should know that your subordinate's mistakes are your mistakes!
You're so deep in the red
Your section is so careless!
S-... Sorry! I'm so sorry!
It's okay
... Huh?
It was my fault for not double checking
Chief!

I want to

go home to feel refreshed
What
should I do to it today...?

What?



Thank you very much!
Your section's performance has been improving slowly but steadily
You can do it if you try! Gahaha

You've been working hard lately, huh

That's right! On the other hand, if you point out his mistakes, he praises you!
Lately, the section chief won't get mad and even covers for you if you make a mistake!

...I wonder what it is? Hmm .
Do you have some secret technique? Tell me---

Kyu!
...H-How cruel...
Jeez~ I'm so mad!
What did I even do that audition for!?
キュ!
Hey, hey, where did you get that huge needle from?
Ohh... She's talking about voicing that anime heroine, huh...
Ah, all better ♡
I bought it on my way home. It was the biggest one in the store

The truth is~~~ I got promoted to department chief!

Well
Moping around all day isn't going to solve anything!
Yup
Anyway, I have some good news

Really!?

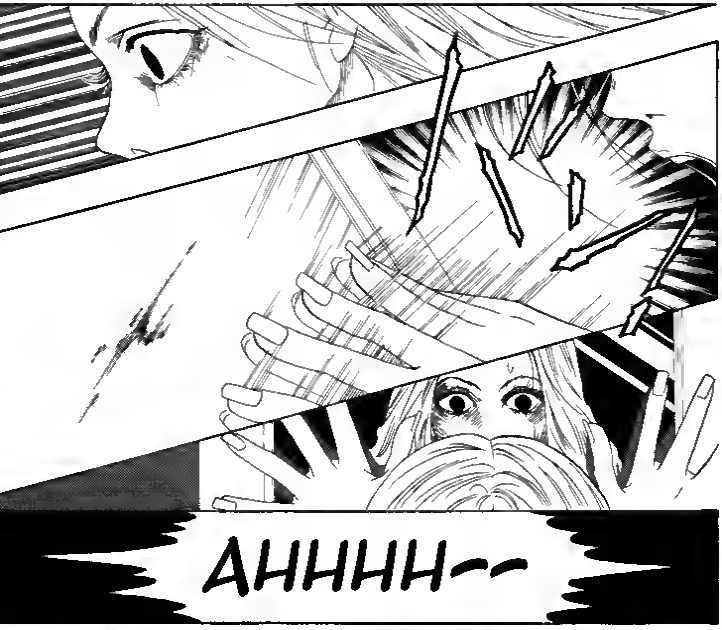
I don't get stressed out from day to day,
so I don't take it out on my section, right? I can work happily
Lately... my section has been very kind and helping
If your job..
is too tough, you can always quit, you know?

I'll work hard too!
No...
Really? ...Haha, maybe
We've always argued about the smallest details before, right? Hehe...
Hehe...
Now that I about it.. you've been nice to me lately
Like hell I will!
Okay?
Don't tell anyone else about this!
I wouldn't be able to stand it if it was stolen

It doesn't die if its head is cut off
It goes back to healing us the next day as usual
I'd never thought that a "demon" would come to bring us bliss!
You're a wonderful "angel"!

Kyu!!
Is it me, or has this been escalating recently?
Lots happened after I was promoted!
Give me that!

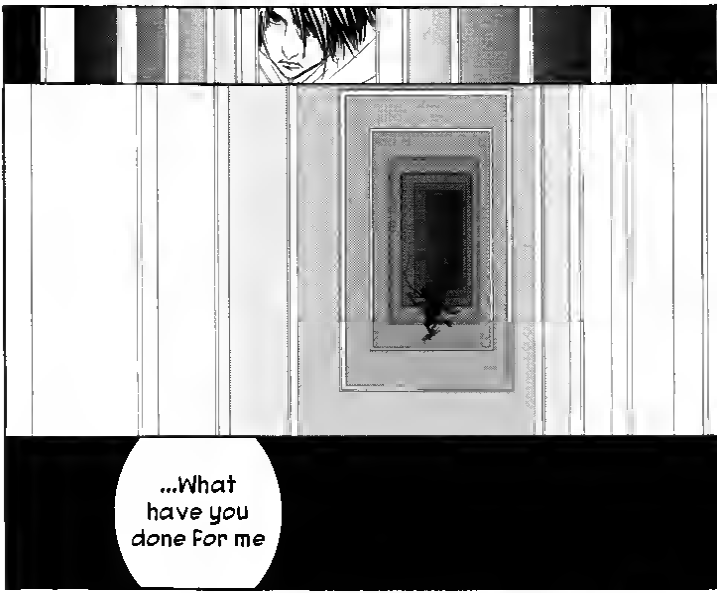
I'm really thankful for you, you know?
I can't give you anything, though
Since you can't eat anything,



AHHHH--

What should we do!?
It ran away!!

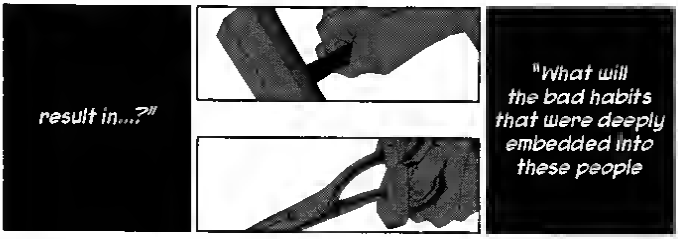
It disappeared in an instant
While I was using my hand mirror, it jumped in...
What did you say!?
!?



...What have you done for me

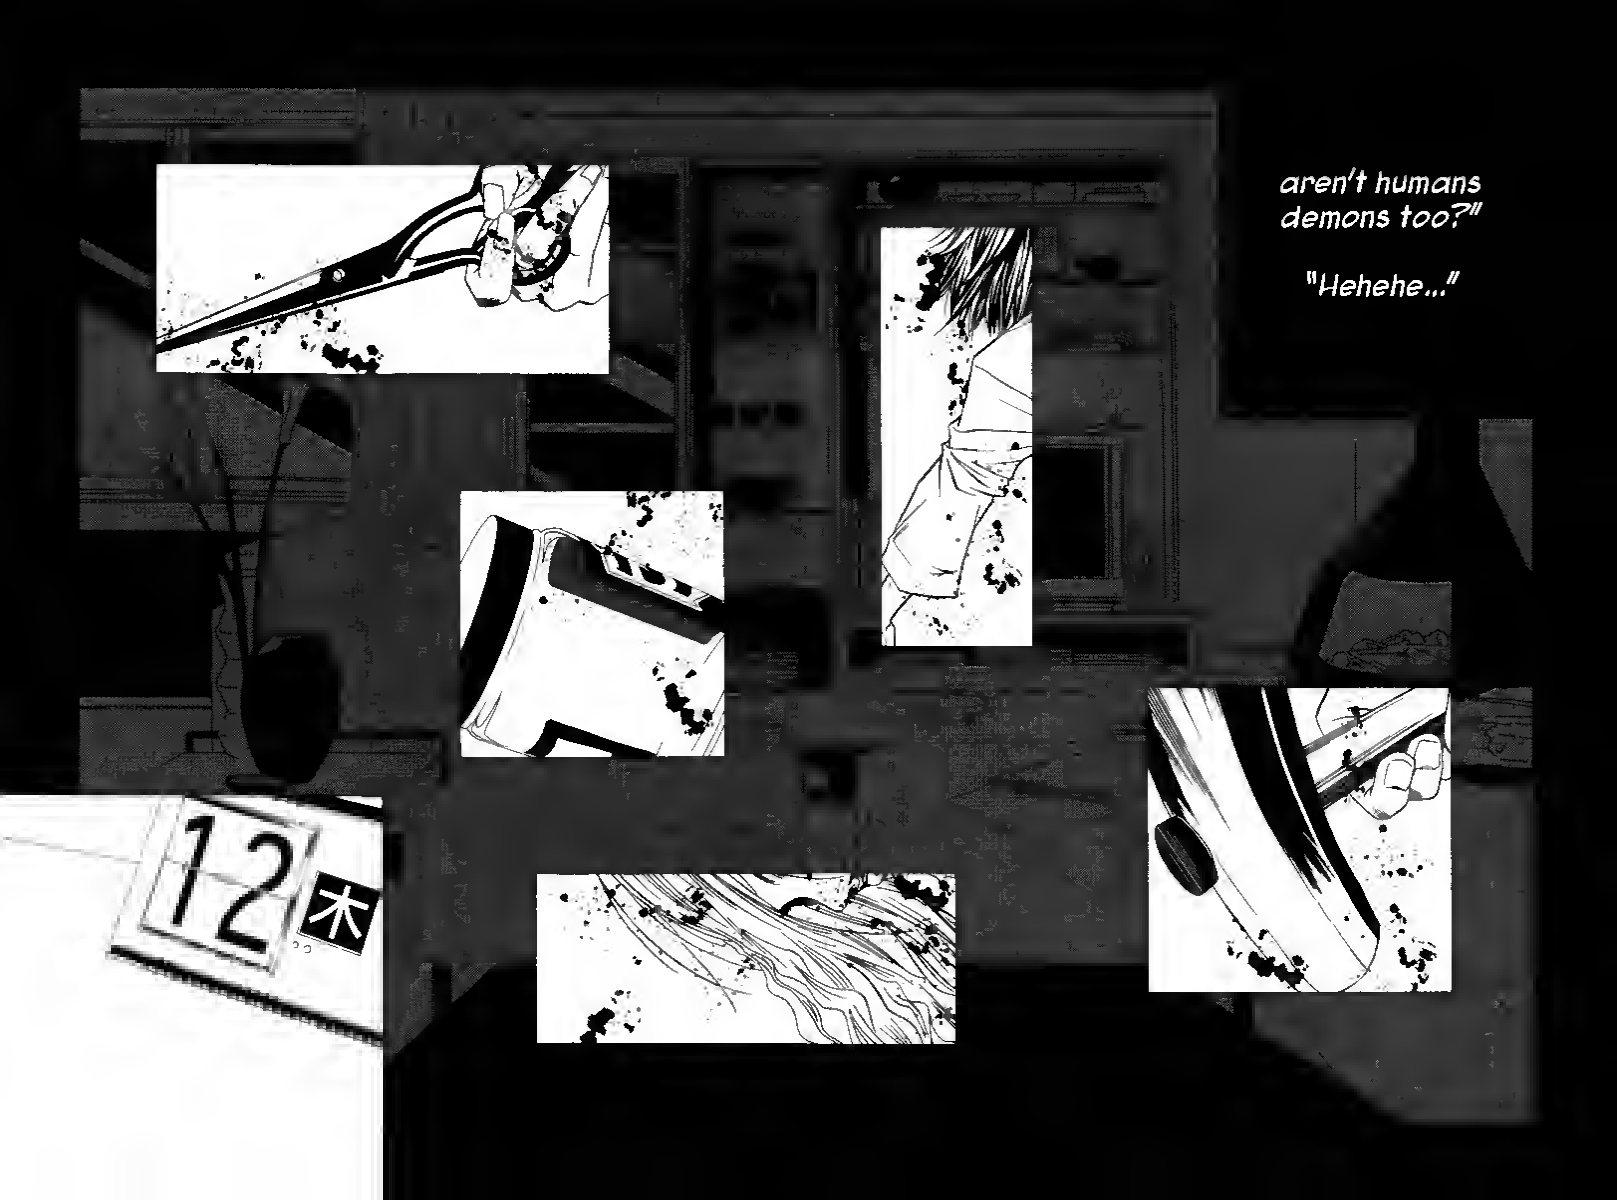
What...
I never knew that it could escape like that!
What are we going to do from now on!? Huh!!?
I bought all of this! You have a problem?
Hey, stop it!
Dammit!
You didn't! I'm saying, you didn't tell me about this!!
I know that... I told you about it!!

.....
Hey
Don't you hit me!!
YOU---
...Why



result in...?"
"What will the bad habits that were deeply embedded into these people

"I'm called a 'demon', but...



aren't humans
demons too?"
"Hehehe..."
